ITEM 1 – BUILDING BY-LAWS

This insurance is, without increasing the amount of insurance, and only as a result of an insured peril, extended to indemnify the Insured for:

- (a) loss occasioned by the demolition of any undamaged portion of the "building";
- (b) the cost of demolishing and clearing the site of any undamaged portion of the "building";
- (c) any increase in the cost of repairing, replacing, constructing or reconstructing the "building" on the same site or on an adjacent site, of like height, floor area and style, and for like occupancy;

arising from the enforcement of the minimum requirements of any by-law, regulation, ordinance or law which

- (i) regulates zoning or the demolition, repair or construction of damaged "buildings" and
- (ii) is in force at the time of loss or damage.

2. Exclusions

This extension does not insure against:

- (a) the enforcement of any by-law, regulation, ordinance or law which prohibits the Insured from rebuilding or repairing on the same site or an adjacent site or prohibits continuance of like occupancy;
- (b) direct or indirect loss, damage, cost or expense, arising out of "clean-up" resulting from any actual, alleged, potential or threatened spill, discharge, emission, dispersal, seepage, leakage, migration, release or escape of "pollutants";
- (c) direct or indirect loss, damage, cost or expense, for any testing, monitoring, evaluating or assessing of an actual, alleged, potential or threatened spill, discharge, emission, dispersal, seepage, leakage, migration, release or escape of "pollutants"; or
- (d) the enforcement of any by-law, regulation, ordinance or law which would apply in the absence of a loss.

ITEM 2 – BLANKET GLASS

Where the Insured owns or has responsibility to insure such glass, this policy insures all exterior plate or thermopane glass, lettering and ornamentation for all damage caused by the accidental breakage of such glass. Such insurance shall also include the expense of boarding up damaged openings or installing temporary plates.

Inclusion of this coverage shall not increase the limit of liability specified on the "Declaration Page(s)".

ITEM 3 – INFLATION PROTECTION

- (a) "Building(s)" shall be increased during the policy period with reference to an amount attributable to non-residential building construction price inflation since the last "premium due date";
- (b) "Stock", "Equipment" and "Contents of Every Description", shall be increased during the policy period with reference to an amount attributable to inflation since the last "premium due date";
- (c) "Property of Every Description", if this insures solely "Building(s)", shall be increased during the policy period with reference to an amount attributable to non-residential building construction price inflation since the last "premium due date";
- (d) "Property of Every Description", if this insures solely "Stock" or "Equipment", shall be increased during the policy period with reference to an amount attributable to inflation since the last "premium due date";

3. If the amount of insurance applicable to "Building(s)", "Stock", "Equipment", "Contents of Every Description", and "Property of Every Description" is changed at the request of the Insured during the policy period, the effective date of this extension is deemed to coincide with the effective date of such change.

- (d) Other expenses, while reasonably incurred by the insured in re-establishing records of accounts receivable following such loss or damage.

LOCATION AND OCCUPANCY OF PREMISES

The Insured occupies that part of the building and conducts therein the business indicated on the "Declaration Page(s)".

PROTECTION OF RECORDS OF ACCOUNTS RECEIVABLE

Insurance under this Form shall apply only while records of accounts receivable, including electronic data backup, are contained in the premises described on the "Declaration Page(s)", it being a condition precedent to any right of recovery hereunder that such records shall be kept in protective container(s), at all times when the "premises" are not open for business, except while such records are in actual use.

PERILS EXCLUDED

In addition to the exclusions contained in the Commercial Building and Contents Broad Form (BF02), the Insurer shall not be liable for loss or damage:

- (i) due to any fraudulent, dishonest or criminal act by any Insured, a partner therein, or an officer, director or trustee thereof, while working or otherwise and whether acting alone or in collusion with others;
- (ii) due to bookkeeping, accounting or billing errors or omissions;
- (iii) the proof of which as to factual existence, is dependent upon an audit of records or an inventory computation. This shall not preclude the use of such procedures in support of claim for loss which the Insured can prove, through evidence wholly apart therefrom, is due solely to a risk of loss to records of accounts receivable not otherwise excluded hereunder;
- (iv) due to alteration, falsification, manipulation, concealment, destruction or disposal of records of accounts receivable committed to conceal the wrongful giving, taking, obtaining, or withholding of money, securities or other property but only to the extent of such wrongful giving, taking, obtaining or withholding.

REMOVAL

Such insurance as is afforded by this Form applies while the records of accounts receivable are being removed to and while at a place of safety because of imminent danger of loss or damage and while being returned from such place, provided the Insured gives written notice to the Insurer of such removal within 10 days thereafter.

INSPECTION AND AUDIT

The Insurer shall be permitted to inspect the premises and the receptacles in which the records of accounts receivable are kept by the Insured, and to examine and audit the Insured's books and records at any time during the Policy period and any extension thereof and within three years after the final termination of this Policy, as far as they relate to the premium basis or the subject matter of this insurance, and to verify the statements of any outstanding records of accounts receivable submitted by the Insured and the amount of recoveries of accounts receivable on which the Insurer has made any settlement.

RECOVERIES

After payment of loss all amounts recovered by the Insured of accounts receivable for which the Insured has been indemnified shall belong and be paid to the Insurer by the Insured up to the total amount of loss paid by the Insurer, but all recoveries in excess of such amounts shall belong to the Insured.

BASIS OF SETTLEMENT

When there is proof that a loss covered by this Form has occurred but the Insured cannot accurately establish the total amount of accounts receivable outstanding as of the date of such loss, such amount shall be based on the Insured's monthly accounts receivable and shall be computed as follows:

- (a) Determine the amount of all outstanding accounts receivable at the end of the same fiscal month in the year immediately preceding the year in which the loss occurs;
- (b) calculate the percentage of increase or decrease in the average monthly total of accounts receivable for the twelve months immediately preceding the month in which the loss occurs, or such part thereof for which the Insured has furnished monthly statements to the Insurer, as compared with such average for the same months of the preceding year;
- (c) the amount determined under (a) above, increased or decreased by the percentage calculated under (b) above, shall be the agreed total amount of accounts receivable as of the last day of the fiscal month in which said loss occurs;
- (d) the amount determined under (c) above shall be increased or decreased in conformity with the normal fluctuations in the amount of accounts receivable during the fiscal month involved, due consideration being given to the experience of the business since the last day of the last fiscal month for which statement has been rendered.

There shall be deducted from the total amounts of accounts receivable, however established, the amount of such accounts evidenced by records not lost or damaged, or otherwise established or collected by the Insured, and an amount to allow for probable bad debts which would normally have been uncollectable by the Insured. On deferred payment accounts receivable, unearned interest and service charges shall be deducted.

OTHER INSURANCE

The Insurer is not liable:

- (a) For more than the portion of any loss or damage covered by this Form which the applicable limit of this Form bears to the total amount of insurance covering against the peril of fire irrespective of whether or not such other insurance gives insurance in respect of perils covered by this Form whether by extension thereto or otherwise;
- (b) Where such other insurance does not insure against loss or damage by fire for more than the excess (if any) of any loss or damage over the applicable limit of any other insurance which would attach if this insurance had not been effected.

ACTION AGAINST INSURER

All adjusted claims shall be paid or made good to the Insured within thirty days after presentation and acceptance of satisfactory proof of interest and loss at the office of the Insurer. No action shall lie against the Insurer unless, as a condition precedent hereto, there shall have been full compliance with all the terms of this Policy, nor at all unless commenced within two years after the discovery by the Insured of the occurrence which gives rise to the loss. If this limitation of time is shorter than that prescribed by any statute controlling the construction of this Policy, the shortest permissible statutory limitation in time shall govern and shall supersede the time limitation herein stated.
